

Treasures of the Northern Neck of Virginia Senior Resource Center of Virginia Beach Wednesday – October 10, 2018

Come, join your friends as they venture northeast toward Virginia's beautiful Northern Neck. This morning, travel to Irvington, VA for a visit to **Christ Church**, considered one of America's most beautiful and authentic colonial churches. This church is both a Virginia and a National Historic Landmark completed circa 1735 by Robert King Carter. Known for its cruciform design, it still has its original pews and three decker pulpit. It is the only virtually unchanged Colonial church still in existence in America. It is landscaped by the Garden Club of Virginia.

You are in for a luncheon treat at the historic **Lancaster Tavern Restaurant** in Lancaster, VA. Established in 1790 it is a State and National Landmark. Please choose from *Soup & Half Club Sandwich*, *Chicken Salad on a Croissant*, *Reuben*, *large House Salad*, or *Fried Oyster Platter* (approx. 7 oysters). Includes bread pudding for dessert and coffee or tea. **Please write you entrée choice on reservation form below.**

Next, travel further north to the birthplace of Robert E. Lee and one of the great houses of American history, **Stratford Hall Plantation**. Its magnificent setting on a high bluff above the Potomac River and its bold architectural style set it apart from any other colonial house, but its highest distinction is the family of patriots who lived there. The Plantation is still managed as a farm today on 1600 of its original acres. There will be a guided tour as well as time to visit the gift shop.
