

Eye Witness To History

A PACVB Historical Society Sponsored Lunch & Program Event

Speaker: Anne J. Henry

On Wednesday March 29th from 11 a.m. – 1 p.m., the PACVBHS will host **Eye Witness To History**, a program with speaker Anne Henry, followed by lunch at the **Doc Taylor's Seaside Market Lounge**.

Anne Henry is a lifelong resident of first Princess Anne County and then the town of Virginia Beach, and what later became the City of Virginia Beach. She has a love of history and some vivid memories. Some say she is a local historian but she characterizes herself as one who remembers and has been around a long time.

Anne will concentrate on what happened here – in Virginia Beach – **during the first six (6) months of 1942. World War II had begun.** This period was characterized by many changes and adjustments here in our country and town. Some were subtle and accommodating – but not all. There was one day and night especially vivid and frightening in her memory. Come hear about it!
